

TuffTrakXT

THE EXTRA TOUGH SOFT GROUND SPECIALIST

BUOYANT

Mats will not sink on wet ground or in extreme weather.

Ideal for wetlands, marshlands, peat bogs and river deltas.

EXTREMELY HEAVY DUTY*

Supports large loads up to 150 tonnes.

STRONG GRIP

Unique chevron traction surface gives maximum grip.

VERSATILE

Perfect for pipelines, civil engineering, construction, oil and gas, transmission, infrastructure and military sites.

ZERO MOVEMENT

16 fixing points and hybrid overlaps give extra strength at connectors and corner points.

REVERSIBLE

Alternative tread pattern for wider applications.

For buoyant, temporary access across soft ground and extreme wet weather conditions, TuffTrak XT is the ultimate heavy duty road mat!
